

HOSPITAL PREPAREDNESS PROGRAM

MISSOURI

HPP FUNDING

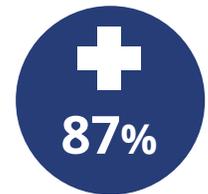

42% decrease in funding
since FY 2013

HIGHLIGHTS

- Missouri uses HPP funds to build a robust emergency preparedness and response foundation for the state's population of over 6 million
- 125 hospitals participate in Missouri's seven operationalized health care coalitions (HCC)
- All of Missouri's HCCs have a governance structure and are capable of establishing an incident command to respond to an emergency incident
- Missouri is engaged in planning for behavioral health strike team/crisis counseling cadre
- Missouri refined and exercised its pediatric surge plan and developed a written strategy plan to increase MO DMAT-1 pediatric capabilities

HCC CORE MEMBER PARTICIPATION

of hospitals

of Emergency Medical Services

of public health departments

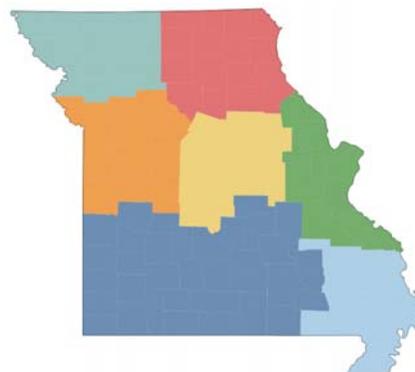

of emergency management organizations

SPOTLIGHT ON RESPONSE: Missouri's 2017 Flood Response

- Torrential rain for over a week in April/May 2017 led to widespread flooding, and river crest records that stood for over 100 years were shattered
- Missouri's St. Louis Medical Operations Center (SMOC) in St. Louis/Region C (STARRS) and the Southeast HCC maintained virtual presence to address any health care staffing and supply chain issues
- Localized phone, internet and other power outages required creative thinking
- EMS strike teams were on standby to respond in the southeast area of the state

FY 2018 PRIORITIES

- **Countermeasures & Mitigation:** Conduct 18 statewide decontamination trainings
- **Information Management:** Sustain and expand emergency management resources for situational awareness and information sharing
- **Community Resilience:** Maintain HCCs with full state coverage, defined boundaries, and governance structures
- **Manage Incidents:** Maintain ability to establish an incident command structure during exercises and actual incidents
- **Surge Management:** Develop 18 mass casualty trailers that are deployment-ready
