

# **DURC REVIEW AND DEVELOPMENT OF RISK MITIGATION PLANS**

**UNIVERSITY OF WISCONSIN**

**Rebecca Moritz MS, CBSP, SM(NRCM)**

# DURC Review Process

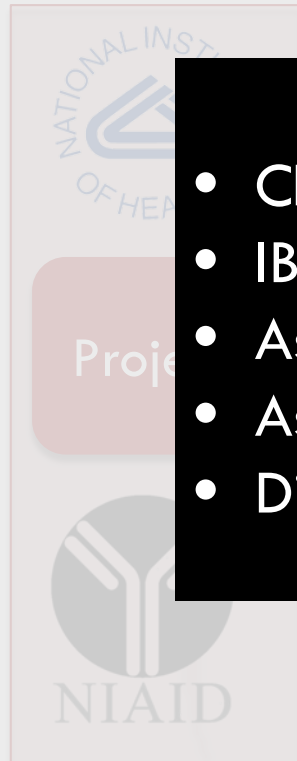

The figure shows how the relationship between the ICDUR, the IRE, and the U.S. Government are interconnected. The diagram also shows how the flow of communication between these entities is two-way.

# DURC Review Process

## DURC Subcommittee Composition

- Chair-ICDUR
- IBC Chair-Assoc. Prof. of Virology

# Communication

## Points to Consider

- Benefits/risks of publication
- Value of research to science and public
- Biosafety and biosecurity measures utilized
- Media talking points and press releases
